

Discover the heart and soul of the Hunter Valley

Take the scenic route travelling along convict built roads through the historic villages of Wollombi & Broke and through the breathtaking hills of Mount View. Manicured vineyards and olive groves, Australian native wildlife, bushland, fertile grazing and farmland – it's all here.

Much of the finest wine produced in the Hunter Valley is made on a small scale, where quality is much more important than quantity. The local wine producers are almost all owner-operators; they grow the grapes, drive the tractor, make the wine and are more than happy to stop and share a yarn with visitors.

The passion doesn't stop at wine. World class olive oil and other hand-made gourmet produce make the area a delight to visit. Great food abounds, from country pubs and intimate cafes to award winning restaurants.

This glorious part of the world naturally attracts the artist, with artistic flair displayed in galleries, sculpture parks and boutique cellar doors.

Enjoy discovering for yourself the hidden treasures of the Hunter Valley!
